

# TABLE OF CONTENTS

|  |    |
|--|----|
| History of Reflexology   | 1  |
| 1.1 Reflexology and Acupuncture                                | 5  |
| 1.2 Zone Therapy   | 6  |
| 1.3 Figure- Representation of Various Organs in Hands and Feet | 11 |
| 1.4 Figure- Reflex Centers of Hands and Feet                   | 13 |
| 1.5 Figure- Endocrine Systems                                  | 19 |
| 1.6 Figure- Heart and Circulatory Systems                      | 20 |
| 1.7 Figure- Respiratory System                                 | 21 |
| 1.8 Figure- Digestive System                                   | 22 |
| 1.9 Figure- Urinary System                                     | 23 |
| 1.10 Figure- Reproductive System                               | 24 |
| 1.11 Figure- Reflex Areas for Spine                            | 25 |
| 1.12 Figure- Reflex Centers on Face                            | 27 |
| 1.13 Figure- Reflex Centers on Ears                            | 30 |
| 1. How Reflexology Works                                       | 31 |
| 1.1 How to locate correct reflex points                        | 33 |
| 1.2 Pressure Techniques  | 48 |
| 1.3 Referral Areas   | 57 |
| 1.4 Usefulness of Gadgets giving pressure                      | 63 |
| 1.5 Rubber- Wooden Jimmi                                       | 65 |
| 1.6 Magic Massager- Rubber Ball                                | 66 |
| 1.7 Spine Roller   | 68 |
| 1.8 Muscle Relaxing Roller- Energy Roller                      | 69 |
| 1.9 Finger Massager  | 69 |
| 2. Eye   | 72 |
| 2.1 Structure of Eye   | 72 |
| 2.2 Different Diseases of Eye                                  | 73 |
| 2.3 Causes   | 75 |
| 2.4 Prevention   | 76 |
| 2.5 Reflexology Treatment                                      | 78 |
| 3. Ear   | 86 |
| 3.1 Common diseases of Ear                                     | 86 |

|                                     |     |
|-------------------------------------|-----|
| 3.2 Prevention                      | 88  |
| 3.3 Reflexology Treatment           | 90  |
| 4. Nose                             | 95  |
| 4.1 Common Cold                     | 95  |
| 4.2 Sinusitis                       | 96  |
| 4.3 Hay Fever                       | 97  |
| 4.4 Reflexology Treatment           | 98  |
| 5. Mouth and Throat                 | 104 |
| 5.1 Tonsillitis and Adenoids        | 104 |
| 5.2 Reflexology Treatment           | 105 |
| 5.3 Toothache                       | 106 |
| 5.4 Dryness of Mouth                | 108 |
| 6. Back, Neck and Shoulder Pain     | 109 |
| 6.1 Structure of Back and the Spine | 109 |
| 6.2 Causes of Back Pain             | 113 |
| 6.3 Reflexology Treatment           | 119 |
| 6.4 Neck Pain                       | 121 |
| 6.5 Reflexology Treatment           | 125 |
| 6.6 Back, Legs, Buttocks and Heel   | 130 |
| 6.7 Reflexology Treatment           | 130 |
| 7. Sciatica                         | 145 |
| 7.1 Causes of Sciatica              | 145 |
| 7.2 Treatment                       | 146 |
| 7.3 Reflex Centers to cure Sciatica | 148 |
| 8. Endocrine System                 | 153 |
| 8.1 Pituitary Gland                 | 153 |
| 8.2 Thyroid Gland                   | 155 |
| 8.3 Hyperthyroidism                 | 156 |
| 8.4 Parathyroid Glands              | 158 |
| 8.5 Pineal Glands                   | 159 |
| 8.6 Adrenal Glands                  | 160 |
| 8.7 The Gonads                      | 160 |
| 8.8 Thymus Gland                    | 161 |
| 9. Heart                            | 162 |
| 9.1 Hypertension                    | 164 |
| 9.2 Coronary Artery Disease         | 168 |

|   |     |
